

The National Guard Association of Kansas
P.O. Box 19031
Topeka, KS 66619-0031

The National Guard Association of Kansas would like you and your company to become a ***Partner in Patriotism*** by being a ***Corporate Member*** or ***Corporate Sponsor*** of our organization for 2018.

The National Guard Association of Kansas is made up of over 1,300 officers and families from all Army and Air National Guard units located throughout the state of Kansas. Our mission is to work with the United States Congress and The State of Kansas to ensure that all 7,500 Soldiers and Airmen in the Kansas National Guard receive the resources needed when called upon to defend the United States as well as respond to local and state emergencies. Your corporate membership will help us to continue to support and acquire new equipment and infrastructure for our Soldiers and Airmen.

The Guardsman is the living embodiment of a true soldier. However, the Guardsman faces many challenges in maintaining both roles to include deployments and mobilizations, family obligations, military and civilian job requirements, and other community responsibilities. It is literally impossible for the Guardsman of today to do it alone.

The Patriot Partnership Program was formed with a vision of further developing and sustaining long-term relationships between individuals, corporations and the Service members of the Kansas National Guard. Your sponsorship of the National Guard Association of Kansas's Patriot Partnership Program makes a major difference because it signifies your support of the men and women of the Kansas National Guard and to their families not only today but in the future too.

We invite your company to exhibit at this year's National Guard Association of Kansas Conference. This year's conference will have several hundred attendees to include Kansas National Guard Soldiers, Airmen and their families. Please call Michele Henry at 785-215-4787, ngaks@aol.com or visit www.ngaks.org/ to establish your Corporate Membership/Sponsorship and reserve your booth on **23-24 March 2018 in Lawrence, Kansas at the Double Tree by Hilton, 200 McDonald Drive**. The National Guard Association of Kansas looks forward to developing a lasting relationship with you and your company.

Thank you for your patriotism and support!

Sincerely,
Naomi Hume
President, National Guard Association of Kansas
